Admiral Court

Admiral Court is Admiral Homes's exciting new project located in Airport West. The location provides a vibrant, high-end residential feel. The development comprises six elegant, modern three-story fully detached townhouses with the highest standard of finishing.

ADMIRAL HOMES

The Developer

Admiral Homes is a real estate company that has existed for a decade. The company has successfully completed several high-end projects all over Accra. Over the years, Admiral has carved a reputation as a developer that provides quality and impeccable finishing.

ADMIRAL HOMES

The Location

Situated on the boundary of Airport West and Dzorwulu, Admiral Court provides the perfect blend of residential and city-center living. The location offers alluring shops, restaurants, and bars. The development is less than a five-minute walk to highly coveted restaurants like Kozo, Gazebo View (Play Accra), and Tribeca. It is also a couple of minutes drive to renowned eateries like Santoku, Azmera, and Fiesta Royal.

ADMIRAL HOMES

The development is near an abundance of recreational spaces and all amenities. Admiral Court is close to Shoprite/Accra Mall, Max Mart, the Airport, and some of Ghana's best clinics, hospitals, and schools.

The location is as prime as it gets in Accra. Owning property within Admiral Court is a worthwhile investment with guaranteed capital appreciation.

ADMIRAL HOMES

The Property

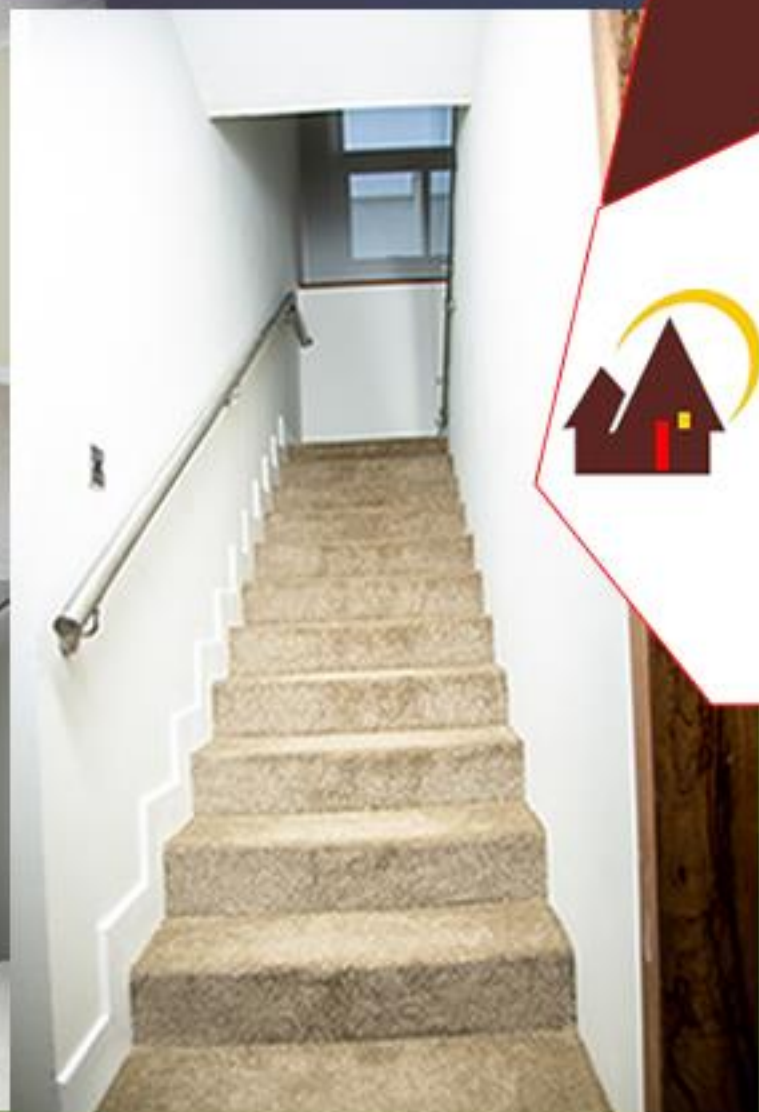

Sound structural integrity is guaranteed by always using superior construction materials. This is exemplified by using high-quality rods, cement, PPR pipes, electrical cables, and other building materials

Each unit is fitted with quality fixtures, fittings, and appliances (A years warranty for all fixtures and fittings)

ADMIRAL HOMES

You can always expect the highest level of finishing in any Admiral development.
(Referred to by Meqasa as the provider of excellent contemporary finishing)

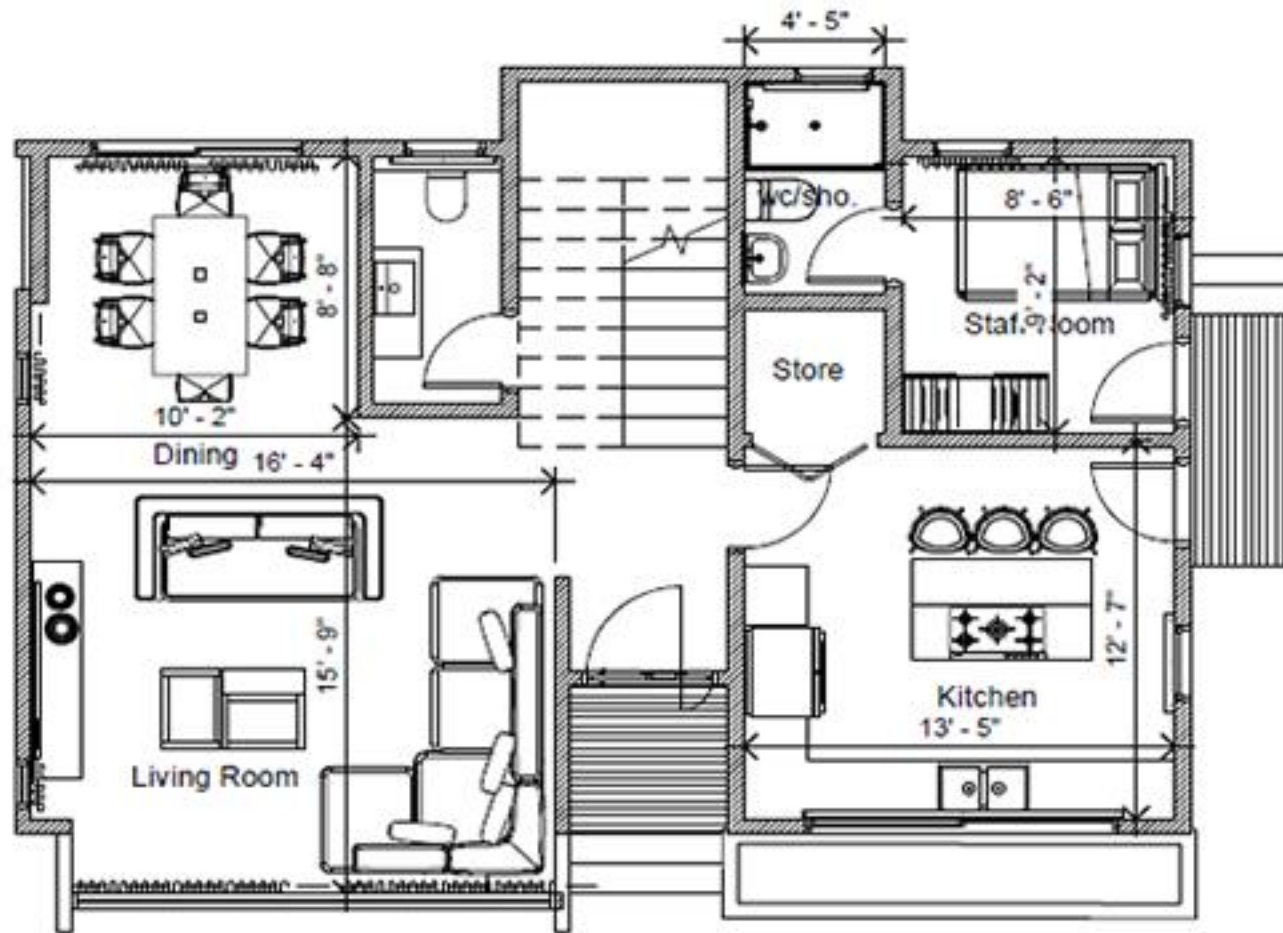

ADMIRAL HOMES

All houses come with ultra-modern bathrooms and kitchens.
